YOUR COMPANY CAN ANSWER THE CALL TO SUPPORT THE COURAGEOUS

Companies for the Courageous is an annual corporate sponsorship program of the 5th Marine Regiment Support Group (**5MRSG**). Our program funds needed strategic bridges beyond what the Marine Corps provides to our recipients whether they are stateside at Camp Pendleton or deployed.

5MRSG has **ZERO SALARIES** and is run 100% by volunteers. With no employees, our Patriotic friends and benefactors provide their time, talent, and financial resources so that nearly every dollar donated goes directly to those we serve.

Our heartfelt and compelling missions are:

- **Assist our Marines**, Navy Corpsmen, and their families whether deployed or stateside. Support includes sending care packages overseas, dinner for Marines and families at Thanksgiving, toys and gift cards for families at Christmas, camps and enrichment programs for our Marine children, hosting baby showers, family days, farewells and welcome homes for our units, and defraying the cost of the Marine Corps Ball for our junior Marines.
- **Help our wounded heroes.** Sponsor opportunities for our wounded warriors to reclaim their lives through the mastery of athletics to build confidence and self-esteem.
- **Pay tribute to our fallen.** Make sure our fallen heroes are "never forgotten."

WHAT ARE THE BENEFITS OF BECOMING A COMPANY FOR THE COURAGEOUS?

- **Support** of our military which creates positive public outreach
- **Creation** of a patriotic commitment to "Supporting our Marines"
- **Enhancement of public recognition** of your company
- **Recognition of your company** on our website, printed publications, and community event promotions
